## TRADE NOTICE NO. 14/2007

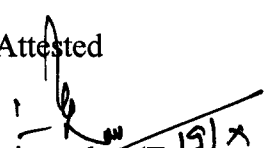

### Sub : Upgradation of quality of challan data under EASIEST

The Trade & Industry are hereby informed that the Principle Chief Controller of Accounts, Government of India, Ministry of Finance, Department of Revenue, has informed that the position regarding the quality of challan data uploaded on EASIEST by participating banks was reviewed in the meeting of the High Powered Committee held on 30.07.2007.

The High Power Committee has decided that henceforth challans with the old Assessee Codes will not be accepted. Further, the assesseees would have to mandatorily indicate the 15 character PAN/TAN based Assessee Code. In case the same has not been allotted to the taxpayer, the bank branch should have the Temporary Code, which again is of 15 character, and which should be written by the assessee in GAR-7. The bank branch will also ensure that the Assessee Code mentioned in the challan form is structurally correct .

All the Trade Associations and Chamber of Commerce Industry Service Tax Payers are requested to bring the contents of this Trade Notice to their members / Constituents in particular and Trade in general.
